- REST API Development

#### Databases:

- MySQL
- MongoDB

### INTERPERSONAL SKILLS

- Adaptability
- Effective Communicator
- Complex Problem Solver

### LANGUAGE

Malayalam

English

Tamil

### PROFESSIONAL SUMMARY

Passionate and results-driven Python Full Stack Developer with a Bachelor's degree in Computer Applications (BCA) from JNASC Edavanna. Proficient in building dynamic and responsive web applications using Django and Flask, alongside strong front-end skills in HTML, CSS, JavaScript, and Bootstrap. Experienced in developing REST APIs, integrating databases like MySQL and MongoDB, and deploying full-stack applications. Adept at team collaboration, problem-solving, and delivering high-quality code in fast-paced environments. Seeking to contribute hands-on project experience and continuous learning to real world development challenges.

### PROJECTS

#### Autolova ( Online Vehicle service booking and management )

Technologies used: HTML, CSS, JavaScript, Python, Django, SQLite

- "Autolova" emerges as a game-changer in the automotive service sector, providing users with an intuitive online platform for effortless vehicle service booking and management
- Implemented the front-end using HTML, CSS, and JavaScript, ensuring a responsive and intuitive user interface
- Utilized Python and Django for back-end development, including setting up the SQLite database for data management.

#### CERTIFICATION Front-End Web Development Course

Talorp, Malappuram | Nov 2021 – Dec 2023

- Built responsive user interfaces using HTML, CSS, JavaScript. Gained hands-on experience in web accessibility and component-based design.

#### Python Full Stack Development

SMEC labs, Kochi | Sep 2024 – May 2025

- Gained in-depth expertise in Python programming, with hands-on experience using frameworks like Django and Flask for both server-side and client-side development
- Proficient in building end-to-end web applications by integrating front-end technologies (HTML, CSS, JavaScript, React.JS).
- Skilled in building and consuming REST APIs to enhance application functionality and enable smooth data exchange.

#### EDUCATION Python Full Stack

SMEC labs, Kochi

#### Bachelor Degree in Computer Application

Jamia Nadwiyya Arts & Science College , Edavanna, Kerala | 2021-2024

#### Higher Secondary Education in Refrigeration and Air-Condition

SHMGVHSS Edavanna, Kerala | 2019-2021
